Wherever possible, we want to try to ensure that every child gets either their very favourite club, or at least one or two of their first choices. Which is the one overall weekly club from those you have selected that is your child's ultimate favourite?

My child's favourite club is Street Dance. He has done this for the past term and he really enjoys

Indicate your choices below by ticking the relevant boxes. Ensure you have picked the correct year group for your child. If you are prepared to accept a second or third choice Après School Club should your first choice not be available, indicate your order of preference by placing a 1, 2 and 3 in the relevant boxes (with 1 indicating the first preference). Note there may not be three choices available in your year group so only mark those in the correct year group.

It would help the school with allocating places to know whether you require places for childcare (if so, please tick the relevant box) and what your child's overall Après School Club favourite is across the week (please make this clear by circling that choice).

In an attempt to help families, please note that you can now book for the whole year. Each club will have a number of yearly and termly places available. If you secure a yearly slot, you can then pay for the whole year, or each term we will set up a payment link on ParentPay. If you prefer to book termly, a new form will be available with updated prices in November for the Spring term.
