

Reception Weekly Overview

Week Beginning: 19th November 2018

Last week..... We have loved reading the Gruffalo and made some playdough characters, masks, puppets and explored shadows. We also started learning about addition!

We practised counting, finding out how many objects there are altogether and we learnt about the symbols plus and equals.

Reminders:

This week is Walk to School Week. How many times can you walk to school this week?

If you have been chosen for the trip you will receive an email to let you know so please look out for that. Please remember to confirm that your child can attend by logging on to ParentPay. Here is where you can also make a termly contribution for trips and special days.

We will be continuing to stick the new version of our home learning in the children's books whilst new families are still getting used to doing the home learning.

Safety

Red words to learn

The I
you

Our value this half term will be:

Respect

How do you show respect to others?
What does respect look like to you?

English

We will be continuing to read *The Gruffalo's Child*. This week our focus is on describing the mouse. We will make our own 'Beware' signs to help warn the other animals in the deep dark woods!

This week in ICT we will be finding out how to use some of the new learning games we have installed on the iPads.

Our Topic this term is
All That Glitters!

This week we will be making Gruffalo Crumble! In our focus story, the animals tell tales about the Big Bad Mouse eating Gruffalo cake, Gruffalo pie and Gruffalo tea so we're going to make our own Gruffalo meal. We will learn about the importance of hygiene when we handle food as well as measuring and mixing the ingredients together. We'll even put it in the oven and have a taste of our own cooking.

Maths

We will be focusing on addition again this week. We will be continuing to count how many altogether and remembering our symbols + and =. Our focus this week will progress to choosing our own resources to help us solve addition word problems as well as record addition number sentences using pictures. We will continue to add everything!

Our key words!

Addition, altogether, plus, equals, measure, mix, cook, hygiene, describe, road safety
