

Reception Weekly Overview

Week Beginning: 26th November 2018

Last week... We chose our own resources to help us with our addition. We've been counting objects, actions and representing quantities through our mark making. We also continued to read *The Gruffalo's Child* and made our very own delicious Gruffalo Crumble! We did this by looking at the ingredients in our cook book and following it step-by-step.

Reminders:

Last week Nativity letters were put into your child's bag, this letter informs you on the part your child will be playing. Please ensure you are preparing your child's costume and bring it in for us to look after. We also sent home your child's script for your child to practise.

Remember to accept upcoming trips on ParentPay.

Parent's Evening is approaching, sign up sheets will be in the office. Please note that Wednesday 5th December will be a later finish only, there will be limited appointments available Thursday 6th December.

Cooperation

Red words to learn

my go

no

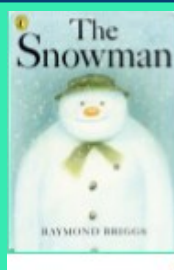

Our value this half term will be:

Respect

How do you show respect to others?
What does respect look like to you?

English

We will be reading *The Snowman*. This is a favourite this time of year and a very magical and heart warming classic. You can watch the film online if you are not familiar. with it We will be talking about how the characters feel at different parts of the book, deepening our understanding of the story.

This week in ICT we will using the IWB to create our own illustrations from *The Snowman* story.

Our Topic this term is

All That Glitters!

We will be looking at ice and talking about how it is made and what we must do to prevent it from melting. We will also be talking about snow and the change in the weather.

Maths

This week, we'll be introducing subtraction!! This is such a tricky concept for most children so we will be using lots of concrete materials all week. We will talk about the language we use when we subtract two amounts and the symbols we see in written equations. We will play lots of games and complete activities to help consolidate our learning on taking away.

Our key words!

Subtract, take away, left, Hanukkah, celebration, tradition, setting
