Topic

We are very lucky this week to be watching the whole school Winter Concert! We wish our friends and siblings good luck in their performance next week!

This week we will also be making Christmas crafts to sell at the Winter Concert and our Nativity. If you are unable to make the Nativity you can buy your child's festive crafts after school on the 18th and 19th December.

Maths

We will be continuing with subtraction this week. Now we know how to subtract with objects we are going to be solving pictorial equations. This will help us when we write our equations! It can be very tricky to remember what all the symbols mean in maths. You can help your child at home by reinforcing the subtraction and equals signs.
