

Reception Weekly Overview

Week Beginning: 17th December 2018

Last week..... We performed our fantastic Nativity for our Whitehall Park friends and families. It was so lovely to see so many parents watch us perform after weeks of practising our lines, actions and lyrics. We thank you all for being so supportive and cheering us on during our performance.

Reminders:

Thursday morning will be our Games Day, this is the opportunity for your child to bring in a game that they would like to share and play with their peers. Please avoid bringing anything that your child is unwilling to share.

Friday we will be having our class parties, it would be much appreciated if you could bring some healthy snacks and drinks for the class to share.

School finishes at 2pm on Friday. There will be no after school clubs however breakfast clubs continue as usual.

Red words to learn

Once All Said

Our value this half term will be:

Resilience

How do you show resilience?

English

In English this week we will be writing instructions on how to build a snowman. We will be using language such as first, next then. You could help at home by finding some instructions that use this language and discussing it with your child!

This week in ICT we will be using the iPads to consolidate our numbers by playing some number games and practicing our formation

Our Topic this term is

All That Glitters!

Topic

Thursday will be focusing on forming friendships and building up on our Personal, Social and Emotional Skills through sharing our games from home.

This week is an exciting final week of the term! We have worked so hard this term and made so much fabulous progress! So we are celebrating! On Friday we will be having a class party! Please bring in some healthy snacks to help us celebrate.

Maths

We will be consolidating our numbers this week. Everything we have learned this term we will recap through various games and songs. The children have learned so much maths this term so it is important to make sure that they have understood all the concepts including subtracting and adding.

Instructions, first, next, then, last.
