

Reception Weekly Overview

Week Beginning: 21.01.19

Last week:

We learnt all about weight! We talked about how to identify heavier and lighter objects. We learnt the words, capacity and volume and explored how weight changes when we change the volume but keep the capacity the same.

We also learnt about the importance of recycling and the dangers it causes to lives in the ocean.

Reminders: We are unable to hand out special events invitations to children unless every child in the class has an invite however, you are welcome to personally hand them out outside our classrooms after school. Also, please note we are unable to take your child's birthday cake to distribute to the children.

Our school trip to The Golden Hinde is on Thursday 31st January!! Make sure your child comes to school in full uniform with a school bag to carry their packed lunch.

Could you please bring extra underwear to school in the event that your child has an unexpected accident.

Our value this half term will be:

Innovation

What is innovation?

How can you be innovative with your

English

In English this week we will be learning how to be a pirate!

We will look closely at a treasure map and see what lovely surprises we encounter on our pirate journey.

This week in ICT we will use the iPads to consolidate our numbers by playing some number games and practicing our formation.

Our topic this half-term is:
Under the Sea

Topic

This week we will be exploring a world map and identifying where you can find different sea creatures from around the world.

Before our school trip on the 31st we will discuss how to be safe outside of school especially for our first journey on the tube! Our trip is aboard a pirate ship which will get us excited about our learning focusing on pirates next week.

Maths

We will be learning Number Bonds up to 10 (meaning the combination of two numbers which total 10). We will be introduced to various methods in helping us work this out. Do you recognise this one?

Resilience, sequence, events, sustainability, pollution, safety, weight, capacity, light, heavy
