

English

We have learnt some new vocabulary in from our book this week.

Can you remember any of them and what they mean? Get an adult to write this down or give it a go yourself!

Topic

Keep a look out for this symbol, where can you spot it? What do you have at home that can be recycled? Choose a material and research how it can be reused when you recycle?

Phonics and Handwriting

Every week in phonics we will learn new sounds. These may be phonemes. Practise your sounds at home. Your adult can google the 'Set 1' sounds we learn in 'Read Write Inc.' or find them in your reading record.

Reading

It is suggested that children in Reception should read for a minimum of **15 minutes** every day including Saturday and Sunday.

Can you ask your child:
 What happened so far?
 What might happen next?
 What is your favourite page in the book and why?
 Can you show me ... in the picture?

Remember your child's reading record should be in school every day.

Maths

Choose 2 containers of different shape and/or size. Draw them both and put a circle around the one you think can hold more water. Now test this and in real life. Was your prediction correct? If not why not?
