## 1.0 Bellevue Place Education Trust – Our commitment

### Learn, Enjoy, Succeed

Every BPET child and staff member enjoys a broad (LEARN) and enriched (ENJOY) learning experience, enabling them to achieve far greater individual success (SUCCEED) than they might previously have thought possible.

### Our Mission

To grow hubs of like-minded, autonomous schools, well-supported, all of which combine academic rigour with highly enriched opportunities that deliver a personalised approach to education and exceptional outcomes for all.

### Our Difference

We are leading the way in delivering high quality education through a skills-based curriculum, applying the best of the independent and state sectors to deliver breadth of opportunity and pupil enrichment. We empower all our schools as individual entities that best meet the needs of the communities they serve and have a strong relationship with parents, who are our key partners in delivering the vision.

### Our Promise

Every child is an individual. Our role is to nurture pupils' potential through a personalised approach to learning. BPET children are happy, independent, confident all-rounders. We encourage a 'be interested and be interesting' attitude in children and staff alike. We don't just teach; we want our pupils to have a passion to learn. Our focus is on all pupils, regardless of background or academic ability, focusing on pupils with Special Educational Needs as well as those who are more-able.

## 2.0 Introduction

- 1 This policy sets out a structured approach to reviewing and destroying records in relation to all of BPET.
- 2 The retention period for each type of record is shown in the table below. In addition, data protection legislation makes it unlawful to keep the information when it is no longer needed for the purpose for which it is held. This requirement is uncertain, allows discretion, and may vary according to the circumstances, but in practice it means that the School should promptly destroy the record once the retention period in the table below has been reached. Occasionally there may be special circumstances which mean that a record should be kept for longer (for example where there is a risk of litigation or a request from an outside body such as the Independent Inquiry into Child Sexual Abuse (IICSA) see below. The School should refer to its insurance policies and further legal advice should be sought in these circumstances.
- 3 Information must be securely deleted. This applies to paper records, electronic information and biometric information.
- 4 This policy does not apply to records connected with commercial activities.
- 5 BPET reviews document retention with its insurers (who may specify longer retention periods). If there is any conflict then any longer retention periods specified by the insurers should prevail.
- 6 If an email falls into one of the categories set out in the table then it should be filed centrally as soon as is reasonable.

- 7 "Routine" emails, which do not fall into any of the categories in the table, may be kept in inboxes for up to six months and should then be deleted. An examples of a routine email is an internal email advising staff that the weekly meeting is cancelled.
- 8 Independent Inquiry into Child Sexual Abuse (**IICSA**) and relevant legislation:
  - 8.1 The IICSA has issued retention instructions to a range of institutions regarding records relating to the care of children. In light of this, we are advising schools to temporarily cease the routine destruction of those records, which might be relevant to the Inquiry in case they are requested by the Inquiry or made subject to a disclosure order. This means that before destroying **any** document the School should consider if it contains information that may fall within the Inquiry's remit.
  - 8.2 The range of documentation which might need to be kept is wide. It will include any information linked to alleged or established child sexual abuse, whether by staff, volunteers or pupils with no limitation date. For example, a list of pupils who attended an overnight school trip or admission registers which show which pupils were at the School at a given time. As such, documents should be kept for longer than the retention periods listed in the policy if they concern information, which might be relevant to the Inquiry. The School should therefore review the retention periods under **each** of the rows below in case they are relevant to IICSA.
  - 8.3 Please note that the School should keep this under review so that it recommences document destruction at the appropriate time.
  - 8.4 Relevant legislation means the:
    - 8.4.1 Inquiries Act 2005
    - 8.4.2 The Inquiry Rules 2006
    - 8.4.3 Data Protection Act 2018 and EU GDPR 2016
    - 8.4.4 Public Records Act 1958
